

MUTUAL GROUND INC.'S

*2009 Walk for Hope*

**Saturday, October 17, 2009**

In this country, every 10 seconds—a woman is beaten and every five minutes—one is raped. Locally, a dozen women died as a result of domestic violence just last year.

The problems of **domestic violence** and **sexual assault** bring devastation to the victims, their families and the entire community. Nonetheless, when victims of domestic violence and sexual assault have a 'safety net' to help them deal with the abuse, they can regain control of their lives. Mutual Ground is precisely that—a safety net where victims can find safety, strength, support, encouragement and information. And all our services are free.

We are very proud that over the past 34 years, we have provided services for tens of thousands of victims while on their journey to becoming survivors.
