2010 Sponsorship Opportunities

For the last 35 years, Mutual Ground has provided victims of domestic violence and sexual assault with a safety net of services while on their journeys toward becoming survivors.

Focusing on programs of Safety and Healing and Prevention, we help close to 2,000 victims each year while our education prevention programs provide important lessons for children in about 1,500 school classes.

Your sponsorship commitment to Mutual Ground and Walk for Hope will help us provide services for all who need us—365 days a year. Thank you.
